"We cannot seek achievement for ourselves and forget about progress and prosperity for our community... Our ambitions must be broad enough to include the aspirations and needs of others, for their sakes and for our own."
—Cesar Chavez

Why this is more than a golf scramble!

For more than 66 years the Latin-Anglo Alliance Foundation has supported Latino youth in the Grand Valley.

Whether you own a business, work for an agency or provide an important service, we all know the importance that an alliance of various groups of people can have in creating a vitality necessary for successful communities.

Family-friendly event

Golfers of all skill levels welcome, including first-time players – no matter your age or gender. The tournament's primary focus is to raise funds to advance a student's educational experience and have fun doing it. Come join us for authentic food, traditional Latino music and dance.

"Since 1973 – The Grand Valley's longest running golf scramble!"
