48th Annual Latin-Anglo Alliance Golf Tournament

*"The Grand Valley's longest
running golf scramble"*

Sat., Sept. 19, 2020, 9 a.m.

Adobe Creek Golf Course
876 18 1/2 Road
Fruita, Colorado

Why this is more than a golf scramble!

For more than 65 years the Latin-Anglo Alliance Foundation has provided a vehicle to enhance the development of Latinos in the Grand Valley.

Our golf scramble is one of the longest running golf events in the valley and it consistently has been a source of fun, camaraderie and a fixture as a key fundraiser for scholarships given to our youth.

Whether you own a business, work for an agency or provide an important service, we all know the importance that an alliance of various groups of people can have in creating a vitality necessary for successful communities.

Join us in this effort as we work together in bridging cultures and learning how we each compliment one another.

"We cannot seek achievement for ourselves and forget about progress and prosperity for our community... Our ambitions must be broad enough to include the aspirations and needs of others, for their sakes and for our own."

—Cesar Chavez
